Flooring & Waterproofing Specialists

As specialists in rapid curing floor and rubberized waterproof coatings, we pride ourselves in being able to prioritize our clients' production and operational needs to significantly reduce their downtime while applying long lasting flooring and waterproofing solutions.

ABOUT Us

We are female owned and operated and have successfully established our brand over the last few years with blue chip companies in the food and beverage industry, production and manufacturing facilities, national restaurant franchises and retail outlets. Inspired by our clients to do challenging applications, our workmanship and grit have ensured their consistent repeat and referral business.

Our products have been carefully chosen due to their seamless properties, versatility, robustness and adhesion properties - ensuring constant quality applications.
